Pretender

The image shows a musical score for the song "Pretender". It includes a vocal line (ボーカル) and piano accompaniment (ピアノ). The score is written in a key signature of three flats (B-flat major or D-flat minor) and a 4/4 time signature. The piano part features a complex, rhythmic accompaniment with many sixteenth notes. There are three systems of music, each with a vocal line and a piano accompaniment. The first system starts with a vocal line that is mostly rests, followed by a piano accompaniment. The second system has a vocal line with some notes, and the piano accompaniment continues. The third system has a vocal line with more notes, and the piano accompaniment continues. The score ends with a double bar line.

On the downside, this means some of the free guitar cards are bad. To transpose, click on the "notes" icon at the bottom of the headset. Guitar Tab This is a bit similar to the previous entry, with the only difference that the homepage also displays the top community-rated tabs. The composition was released for the first time on Friday 10 February 2006 and was updated for the last time on Thursday 19 March 2020. The only catch is that you have to give them a "Like" on their social media pages to access some of the tabs. Press to view The Pretender (Jackson Browne) Sheet Music and it can be displayed directly in your browser à no download required. Otherwise, the note icon will remain grey. This means that if the composers started the song in the original key of the score is C, 1 Semitone means transposition into C#. The style of the score is Folk. * Not all of our sheet music is transposable. The SKU catalogue number of the notation is 33 880. Also, unfortunately not all musical notes are reproducible. If the notes you want are transposable, you can transpose them after purchase. If the "play" button icon is grey, this score does not contain playback functionality. *** Selected by our editorial staff.
